Re: Para-swimming opportunities in Co Durham

Dear Parent

Your Son/Daughter has today attended the School Games Level 3 Swimming Competition at Freemans Quay. The results of the event will be reviewed by the Amateur Swimming Association England Para-swimming team to identify children who show potential talent in their swimming.

There are a wealth of opportunities across the area for swimmers with a range of Physical, Learning and Sensory impairments to continue their swimming development be that in Learn to swim schemes, training towards competitive para-swimming events or attending social groups and other activities at a number of Leisure Centres.

To enable the ASA to provide you individual advice and support in finding the most relevant opportunities I have attached a British Swimming Tracker form. This form allows any disabled person over the age of 5 to receive individualised recommendations on the swimming pathways available in their local area.

If you are interested in finding out more about Para-swimming and other participation opportunities I would encourage you to complete the attached form and return it to:

Disability Talent Administrator, British Para-swimming, SportPark, Pavilion 3, 3 Oakwood Drive
Loughborough, LE11 3QF

Additionally, if you have any questions about the information above please contact me on chris.armstrong@swimming.org or call 07787269306

Yours sincerely

Chris Armstrong
ASA Para-swimming Pathway Officer
