

Swim England North East Regional Championships (25m) 2021

We are now in a position to confirm that the Swim England North East Regional Swimming Championships (25m) will take place at Ponds Forge, Sheffield on the 6th & 7th November 2021.

It is our intention to deliver both the Open & Age Group Championships which are normally swum in adjacent 25m pools.

There will still be a capacity limit to comply with at Ponds Forge. This could result in no Spectators being permitted within the Pool Hall area. The Spectator Seating areas may have to be used for swimmers, as per the recent Festival of Swimming events at Ponds Forge and Sunderland.

Schedules/Qualifying times and conditions are now available on the Regional Website. Entries will close on the 27th October 2021. We will be accepting times from meets Licensed at Levels 1 to 4.

We are also inviting Officials to apply to work at the events. The application form is on the Regional Website. This is one way to ensure that you are involved in the event in the Pool Hall area.

You can be assured that we will publish further details once we have any update from Ponds Forge.

I would recommend that any bookings made for accommodation at Sheffield are on a refundable basis. The Region will not be held responsible for any costs incurred if one, or both, of the Championships are postponed, cancelled or we have to reject swimmers to comply with capacity restrictions.

The Open Championship Entry System can be found here:-
<https://www.swimmingresults.org/events/sener21sc/bulkindex.php>

The Age Group Entry System is here:-
<https://www.swimmingresults.org/events/sener21scag/bulkindex.php>

All entries must be submitted by Clubs, not individuals

Stay Safe
